Background:

Nahezu unbekannt.

Vorliegende Infos besagen lediglich, dass er in 5 verschiedenen Bereichen einen Dr. Titel hat, er aber nur einen offiziell tragen möchte.

Schon als Kind im Alter von 12 Jahren machte er seinen ersten Dr. Titel.

In der Geschichte R.I.A.D. ist er der Protagonist.

Er stirbt zwar in der Geschichte, wird aber in einem fremden Körper in einer anderen Welt wiedergeboren.

Seine Erinnerungen hat er jedoch behalten.

Quanten-Wesen unterstützen ihn bei seiner Reise, und haben dabei eigene Intentionen.

Background Info:

The boss of the "bad fraction".

The "bad fraction" is mysterious.

They exist on every planet where life exists.

Their "supreme commander" real name?- is unknown, as he only acts in secret.

He goes by different names; each race has its own name for him.

Examples: Nergal, Erra, Irgali, Pazuzu.

However, his true name appears in every culture, on every planet >> Lamashtu << in every universe—through only in passing.

He can grant living beings special abilities.

Possible origin story

- once a Multi-Felagi
- corrupted by power
- too much power made him hallucinate / see things in a wrong way and then he decided he HAS to become the one true ruler and single magic-granter
